Summary: Viggo Dagur interrogate the Dragon Riders.

Interrogation

**A/N I would recommend reading the lyrics for the Muppets most wanted song: Integration song before reading this.**

**This is a rewrite of Disney's song: Interrogation Song. I do not own the original **

**I was having a bad day and coulnt find anything similar to this on Youtube so I wrote it. **

**Enjoy.**

Dagur: Hiccup let's quiz. Tell me where the Dragon Eye is.

Hiccup: I won't tell you ever. So you better stop now before never.

Viggo: So you put it down at 10:04 do you know where it now?

Hiccup: From 10 o'clock the Dragon Eye was is our grasp. You'd never find it even with your mind set to the task.

Viggo: Hm, Dragon rider you haven't hid it behind a hedge? Neither seen it at the edge?

Hiccup: I assure you it's hidden good. You'll never find it even hidden with a hood.

Dagur: Hiccup, brother we know you have the eye.

Hiccup: And I think you lie!

Viggo: Thank you Hiccup. No more questions.

Dagur: Allo time for good Berserker romantic Berserker.. Astrid Hofferson, you're a fine lass. But you have way too much sass.

Astrid: I do not care, to answer your question. So just stop this session.

Viggo: Tell us where the dragon eye is.

Dagur: If you want to know where you're dragon 'tis.

Astrid: I refuse to answer this. I'm going to stop there I claim myself dismissed.

Viggo: We can give you a plea deal

Dagur: If you don't want me to feed your dragon an eel.

Astrid: I'm not telling you the location. You'd have better luck getting Stoick to take a vacatio**n.**

Dagur: We'll find that eye. I promise you.

Astrid: Give up the flirting creep! Go jump in a lake with Thunderdrums that's my suggestion.

Viggo&Dagur: Thank you Astrid no more questions.

Dagur: I think she liked me**.**

Viggo: I do not think you're violence is helping the investigation.

Dagur: You know...I we need to be more forceful.

Viggo: It won't help there lips are sealed tight.

Dagur: So then we put out the light.

Viggo: If they do tell?

Dagur: They won't.

Viggo: Are you so sure?

Dagur: I'm sure and I knew it but I have nothing that can prove it! Excuse me. Bring in the guy with long hair.

Viggo: Can you to tell me the location of Dragon Eye, at 10 O'clock yesterday?

Tuffnut: I was hit by a raging Yak, and ran off after it finished it's attack!

Viggo: I see. What do you know about the Dragon

Eye?

Tuffnut: I've hardly even seen it, I got nothing.

Dagur: The truth Tuffnut, you must know something!

Tuffnut: If you don't believe me ask the chicken. Chicken was there she'll cooperate.

Viggo: Chicken are you willing to corroborate?

**-Chicken clucks- **

Dagur: Will somebody get this chicken out of here.

Tuffnut: Calm down, Chicken. It's a routine inspection.

Viggo&Dagur: Thank You Tuffnut no more questions.

Viggo: Pretend I'm not the bad guy, what do you know about the Dragon Eye?

Ruffnut: No way, I'd rather use Hiccup's dragon fly thing.

Snotlout: I ain't telling you anything.

Fishlegs: The chances of us telling you about the Dragon Eye are less than 009.

**Dragons: *Roars* **

Viggo: To help with our investigation can you do a full translation?

Hiccup: What the dragons said to you was, "RAAR ROAR ROAR!" It's not Swedish

-Other dragon growls-

Gustav: Uh...I can do a Hiccup impression

Viggo&Dagur Thank You Dragon Riders no more questions.

Viggo: They won't talk.

Dagur: No they won't.

Viggo: They wouldn't, they're not idiots.

Dagur: â€¦.I wouldn't be so sure.

Viggo: So they won't talk, and we kept talking.

Viggo&Dagur So they aren't going to talk and we must still the Dragon Eye!

Viggo: They're mouths are sealed.

End
file.
